## CHILDREN'S CLINIC

### ABOUT BOYER:

**Established in 1942**, Boyer Children's Clinic is the largest provider of early intervention services for special needs children in Seattle.

**The effective therapies, medical treatments, and skill-building programs** at Boyer give young children the best possible chance to minimize the effects of their challenges, to reach their maximum potential, and to enjoy happy and fulfilling lives.

**42% of children** exiting Boyer do not require further additional special education or related services; this compares to a 27% county-wide average among all similar providers.

**Boyer has provided over \$2.7 M in uncompensated care** over the past 5 years, ensuring access for all.

*Please join us in our mission to ensure that all children with developmental delays and disabilities in our community reach their fullest potential.*

### EVENT OVERVIEW:

*Inspiring Journeys 2014* is Boyer Children's Clinic's 11<sup>th</sup> Annual Auction Gala; Boyer's largest annual fundraiser, raising critical funds necessary to provide services for children with disabilities and developmental delays.

Last year, more than 300 of the region's top business and philanthropic leaders attended, helping to raise over \$300,000!
